Dear Friend,

This request is on behalf of the Friends of Rawson Memorial Library (FOL) in Cass City, a non-profit dedicated to promoting the library services to individuals of the surrounding area.

The FOL strives to make a difference in our community through supporting the library needs by volunteering, promoting its services, community outreach and fundraising.

We are preparing to host an online fundraiser benefit auction on Monday, September 29, 2025 and are reaching out to community leaders and businesses to request support. We are seeking items such as: gift cards or certificates, entrance passes, gift baskets or items to auction. We are using Albrecht Auction in Vassar to host the auction.

Donations are tax deductible and we'd be happy to recognize your business with your donation. Your contribution would greatly help us reach our fundraising goal of \$10,000 this year through various fundraisers including this online auction.

We thank you for considering this request.

Sincerely,

Friends of Rawson Library
